

## PAYING FOR TUITION AND FEES

Students with Stafford and Grad PLUS loans often have all of their fees covered by loans and will not need to make a personal payment at Registration. Some students still must pay a portion of their fees privately, as will all students who do not have financial aid.

Students are provided with statements of account in July and December of each year; questions about the amount owed for Registration may be directed to Katharine Willman at [kwillman@cranbrook.edu](mailto:kwillman@cranbrook.edu).

Supplies, punitive fees, and expendables that are billed to students monthly must be paid within the month billed.

Cranbrook does not accept charge cards for any payments except in the very few point-of-sale venues on campus.

Tuition and fees may be paid by personal check, money order, traveler's checks, cashier's check, or by wire transfer to Cranbrook's bank.
